

INCOME DISCLOSURE

In order to assist lenders in processing their application for USDA Rural Development assistance, it is important to clarify how many people are in the household, their relationship, and income if applicable.

Number of people who will reside at the new residence at least 50 % of the time _____

Identify those who will be in the household at least 50% of the time, their relationship and disclose **all** their annual income for eligibility purposes:

Name	Relationship	Annual Income*

* includes salaries, wages, part-time income, self-employment income, social security, pensions, annuities, unemployment, workers compensation, alimony, child support

** Do not include income from minors, foster care income, lump sum payments from insurance or inheritances, scholarships, and grants

I/we certify the above information is accurate and to the best of our knowledge correct.
