Note: Fee adjustments may be required for considerations of location and other enhanced property elements that significantly exceed the typical local market. Any proposed adjustments to fee will be communicated to client for approval prior to order assignment. Fee technology services or pass-through portals required by client. Base adjustments may also be applied for 3rd party pricing is calculated using “reasonable and customary” considerations as outlined under Presumption 2 of the Interim Final Rule in conjunction with the Dodd-Frank Act, and considered “best efforts” related to client order allocation and geographic distribution.
